Two metal racks containing various silver Esoteric audio components, including amplifiers, tuners, and CD players.

Left side of a large white horn speaker system, featuring a large white horn, a smaller red horn, and a tweeter on a black stand.

Central curved wooden cabinet with silver panels, likely housing the main amplifier or tuner.

Right side of a large white horn speaker system, featuring a large white horn, a smaller red horn, and a tweeter on a black stand.

Four silver floor-standing units, likely subwoofers or bass drivers, arranged in a row.

ESOTERIC

The central display area consists of a long table covered with a blue cloth that has the "ESOTERIC" logo printed in white. On the table, several pieces of audio equipment are arranged. From left to right, there are three white units on the table surface, followed by a stack of three units on a clear acrylic stand. The top unit in the stack is black, the middle is white, and the bottom is white. To the right of the stack is another white unit. Above the table, a white backdrop is mounted, featuring the "ESOTERIC" logo repeated four times. Underneath the logos, several small white cards with text are pinned to the backdrop. Four silver gooseneck lamps are attached to the top of the backdrop, providing focused lighting on the products.

A vertical poster on a stand to the right of the main display. The poster has a purple and white color scheme. At the top, it says "ESOTERIC" and "長期保証のご案内" (Long-term warranty information). Below that, it lists "5年保証" (5-year warranty) and "3年保証" (3-year warranty). The text is in Japanese, providing details about the company's warranty policies for its products.
