RHODIUM (RH) PLATING

- Audio Grade® 3 layer plating
- 1. Oxygen free copper under
- 2. Electroless nickel plating
- 3. 1/20 mil plating
- 4. Pure rhodium plating

GOLD (AU) PLATING

- Audio Grade® 3 layer plating
- 1. Oxygen free copper under
- 2. Electroless nickel plating
- 3. 1/20 mil plating

SILVER (AG) PLATING

- Audio Grade® 2 layer plating
- 1. Oxygen free copper under
- 2. Pure silver plating

18mm cubic Diameter

Mounts to 18mm cubic sockets

Polycarbonate rear housing

Glass filled high temperature nylon front housing

Forma-lock terminals®

Weld free base makes for easy fit to lead wire

All non-magnetic materials

High spring rate base contacts
