Two men are seated in the foreground, facing the audio equipment. The man on the left is wearing a blue shirt and glasses, and the man on the right is wearing a dark suit. They appear to be listening to the audio system.

A turntable is mounted on a black metal stand. Above it sits a silver amplifier with two knobs. Below the turntable is a white receiver or tuner unit. A small sign with a silhouette of a person is placed on the floor next to the stand.

Two tall, black and red speakers are positioned on either side of the central equipment. One speaker is on a white, modern-looking stand. The speakers have a distinctive design with a large driver and a smaller tweeter.

A large, vertical graphic of a speaker driver is visible on the right side of the image, showing the internal components of a speaker.
