Audio components including a turntable, amplifier, and speakers on a wooden platform.

Large vertical speaker with multiple drivers.

Large vertical speaker on the left side of the room.

A wooden shelving unit with four shelves. On the top shelf, from left to right: a black digital audio player with a blue display showing '>USB 51 24-192k', a silver digital-to-analog converter, and a silver turntable with two red vinyl records. The second shelf contains a black amplifier and a CD/DVD player. The third shelf has a black subwoofer. The bottom shelf is empty. To the right of the unit, a stack of vinyl records is visible, with the top one being 'LIVING STEREO 3 BELAFONTE AND HIS TRIO BLUES'.

A black audio rack system with a green LED light strip. It contains a turntable with two silver vinyl records, a CD/DVD player, and a subwoofer. A small framed picture is on the front panel.

A black desk or table with a small electronic device on it, possibly a portable music player or a small amplifier.
