Coltrane Tenor 2
Finish: Black Piano
S. No. 18022000-A
MADE IN SWEDEN

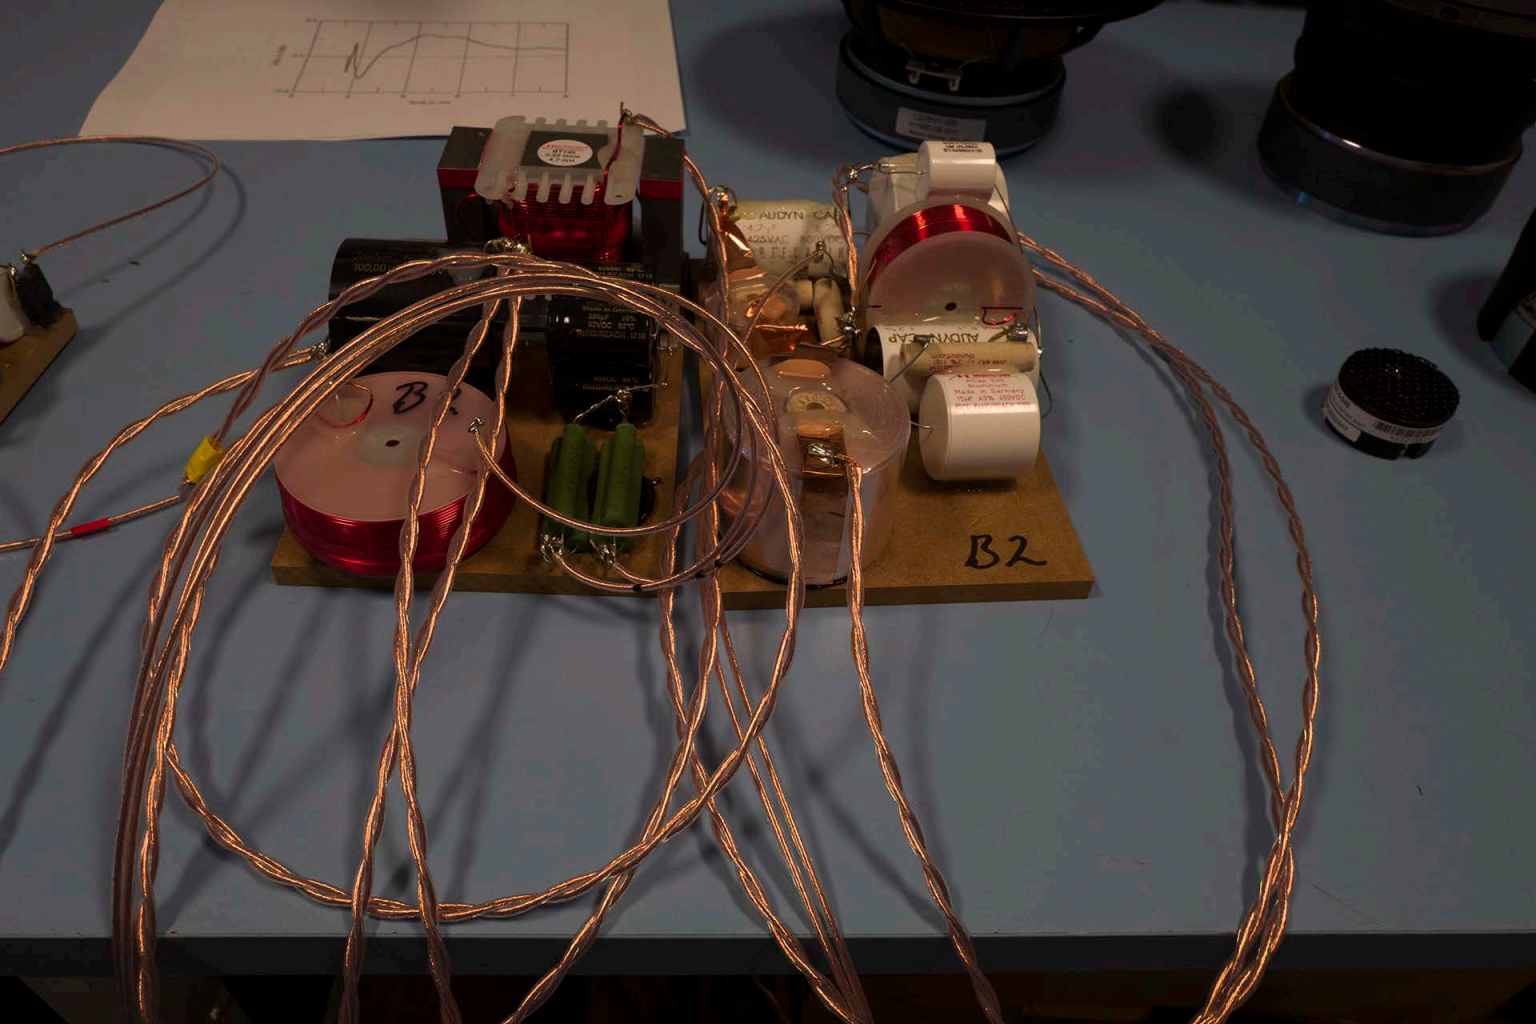

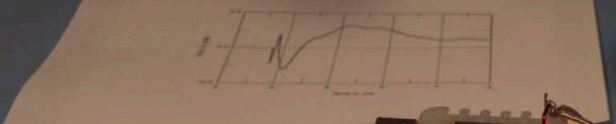

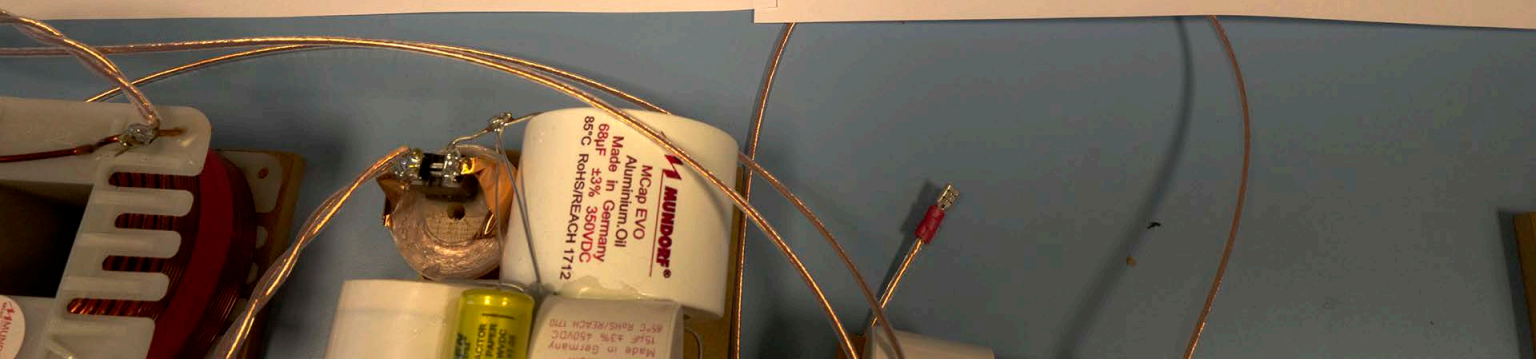

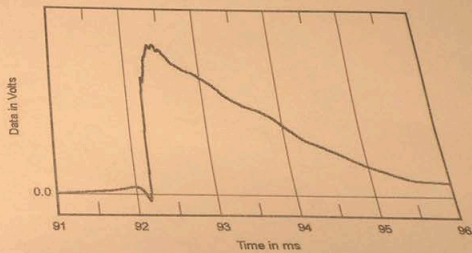

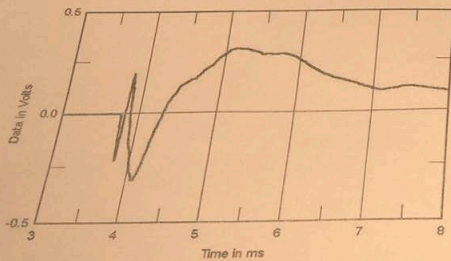

A custom-built electronic circuit board on a wooden base. The board features a transformer with a red core and a white label, a large electrolytic capacitor with a green label, and a smaller capacitor with a white label. A multi-strand copper wire is connected to the board and forms a large loop. The board is labeled with the handwritten text "B2".
