

MARTEN

Getz 2

MADE IN SWEDEN

Getz 2

Heritage
series

Getz completes the Heritage series from Marten. A truly refined 3-way model.

The new tweeter uses pioneering technology to achieve diamond-like performance. Combined with the signature ceramic drivers they produce distortion-free sound that is exceptionally detailed and transparent with a large, attractive soundstage. The newly designed sandwich bass unit delivers power and control over lower frequencies.

A custom-made aluminium passive radiator delivers a more even, controlled bass and creates a realistic, full-bodied sonic performance.

The new Getz

Cell tweeter and sandwich bass drivers designed with the latest Accuton technology

Improved crossover using leading Mundorf components

Stainless steel feet, cones and pucks tailor-made by Marten

Technical specifications

Frequency range / 28-40000 Hz +-3dB

Power rating / 250 W

Sensitivity / 87 dB / 2.83V

Impedance / 4 ohm (3.7 Ohm min)

Type / 3-way passive radiator

Drive units / 9" ceramic sandwich, 9" aluminium (passive), 7" ceramic, 1" ceramic

Crossover frequency / Second order: 250 & 3000 Hz

Components / Low loss copper foil coils and silver/gold in oil capacitors

Terminals / Single-wiring WBT

Internal wiring / Jorma Design

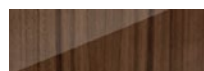

Cabinet / 23 mm:s veneered MDF

Stands / Steel stands with Marten cones and pucks

Dimensions WxHxD / 25 x 116 x 35 cm (9.8 x 45.7 x 13.8")

Net weight / 35 Kg (73 lbs)

Finishes

Piano Walnut

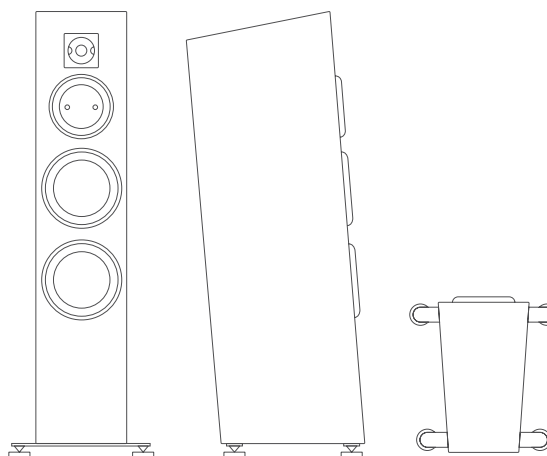

Matt Walnut

Piano Black

Please note Colours may not be a true representation of actual finish.
