Alastair Robertson-Aikman (AR-A)

President, Engineer and Designer of SME's Signature Turntables and Tonearms.  
AR-A has a 40-year career in the music industry, specializing in the design and production of high-end audio equipment. The SME 1994 of course features a hand-engineered turntable and ultimate precision tonearm. This is known as "the SME tone" and accounts for SME's over 1000 and growing, which is available for all of our products.  
SME Audio - Engineering Excellence and Hand-Crafted Precision the SME way.

A handwritten signature in black ink, which appears to read "Alastair Robertson-Aikman".
