**Kuzma XL DC Turntable**  
[www.kuzma.nl](http://www.kuzma.nl)

A vertical banner for Kuzma turntables. It features the Kuzma logo, a large image of the XL DC turntable, and smaller images of various accessories. The text highlights the company's 30-year history in analog audio.

RECEPTION AREA

Stabi XL 2 - Air Line

Stabi Reference - Air Line

Stabi S - Stogi S

Stabi M - 4PinVE

Power Supply

A tall vertical banner showcasing a variety of Kuzma audio components. At the top is the Kuzma logo. Below it are several product categories, each with a main image and a vertical column of smaller images showing different models or accessories. The categories include Stabi XL 2 - Air Line, Stabi Reference - Air Line, Stabi S - Stogi S, Stabi M - 4PinVE, and Power Supply.

A display case containing various Kuzma audio components, including turntables and amplifiers, arranged on shelves. A small informational card is visible in the foreground.
