

MASTER POWER CLASSIC STEREO

The Classic Stereo is the simplest, most cost-effective way to experience the incomparable sound quality of Dan D'Agostino Master Audio Systems. It's the core circuitry and technologies of D'Agostino's acclaimed Momentum amplifiers, in a more basic chassis. The Classic Stereo combines a subtle, sweet musicality with the immense power and current needed to drive even the most exotic speakers. With the Classic Stereo, there is no need to worry about finding the right amplifier for your speakers... because the Classic Stereo is the right amplifier, no matter what speakers you own.

As its name suggests, the Classic Stereo is a straightforward stereo amplifier, built into a basic yet attractive and rugged enclosure that can be rack-mounted if you wish. It's the simplest, most affordable way to get true D'Agostino quality: essential two-channel sound, with delicacy and dynamics that will please the world's most sophisticated audiophiles. No frills. Pure performance.

Like every product from Dan D'Agostino Master Audio Systems, each Classic Stereo is built by hand in our Arizona factory using robust through-hole construction.

Power	300 watts @ 8Ω 600 watts @ 4Ω 1,200 watts @ 2Ω
Frequency Response	1 Hz to 200 kHz, -1 dB 20Hz to 20 kHz, ±0 dB
Distortion	< 0.1% at 1 kHz 300 watts/8 ohms
Signal-to-Noise Ratio	80 dB, unweighted
Inputs	2 balanced XLR (XLR to RCA adapters supplied)
Input Impedance	100KΩ
Output Impedance	0.12Ω
Dimensions	11.5 x 19 x 20 inches 108 lbs.
