TAKE ME THERE  
Step into the magic of the original  
performance with MQA  
MQA | AURALIC

MQA

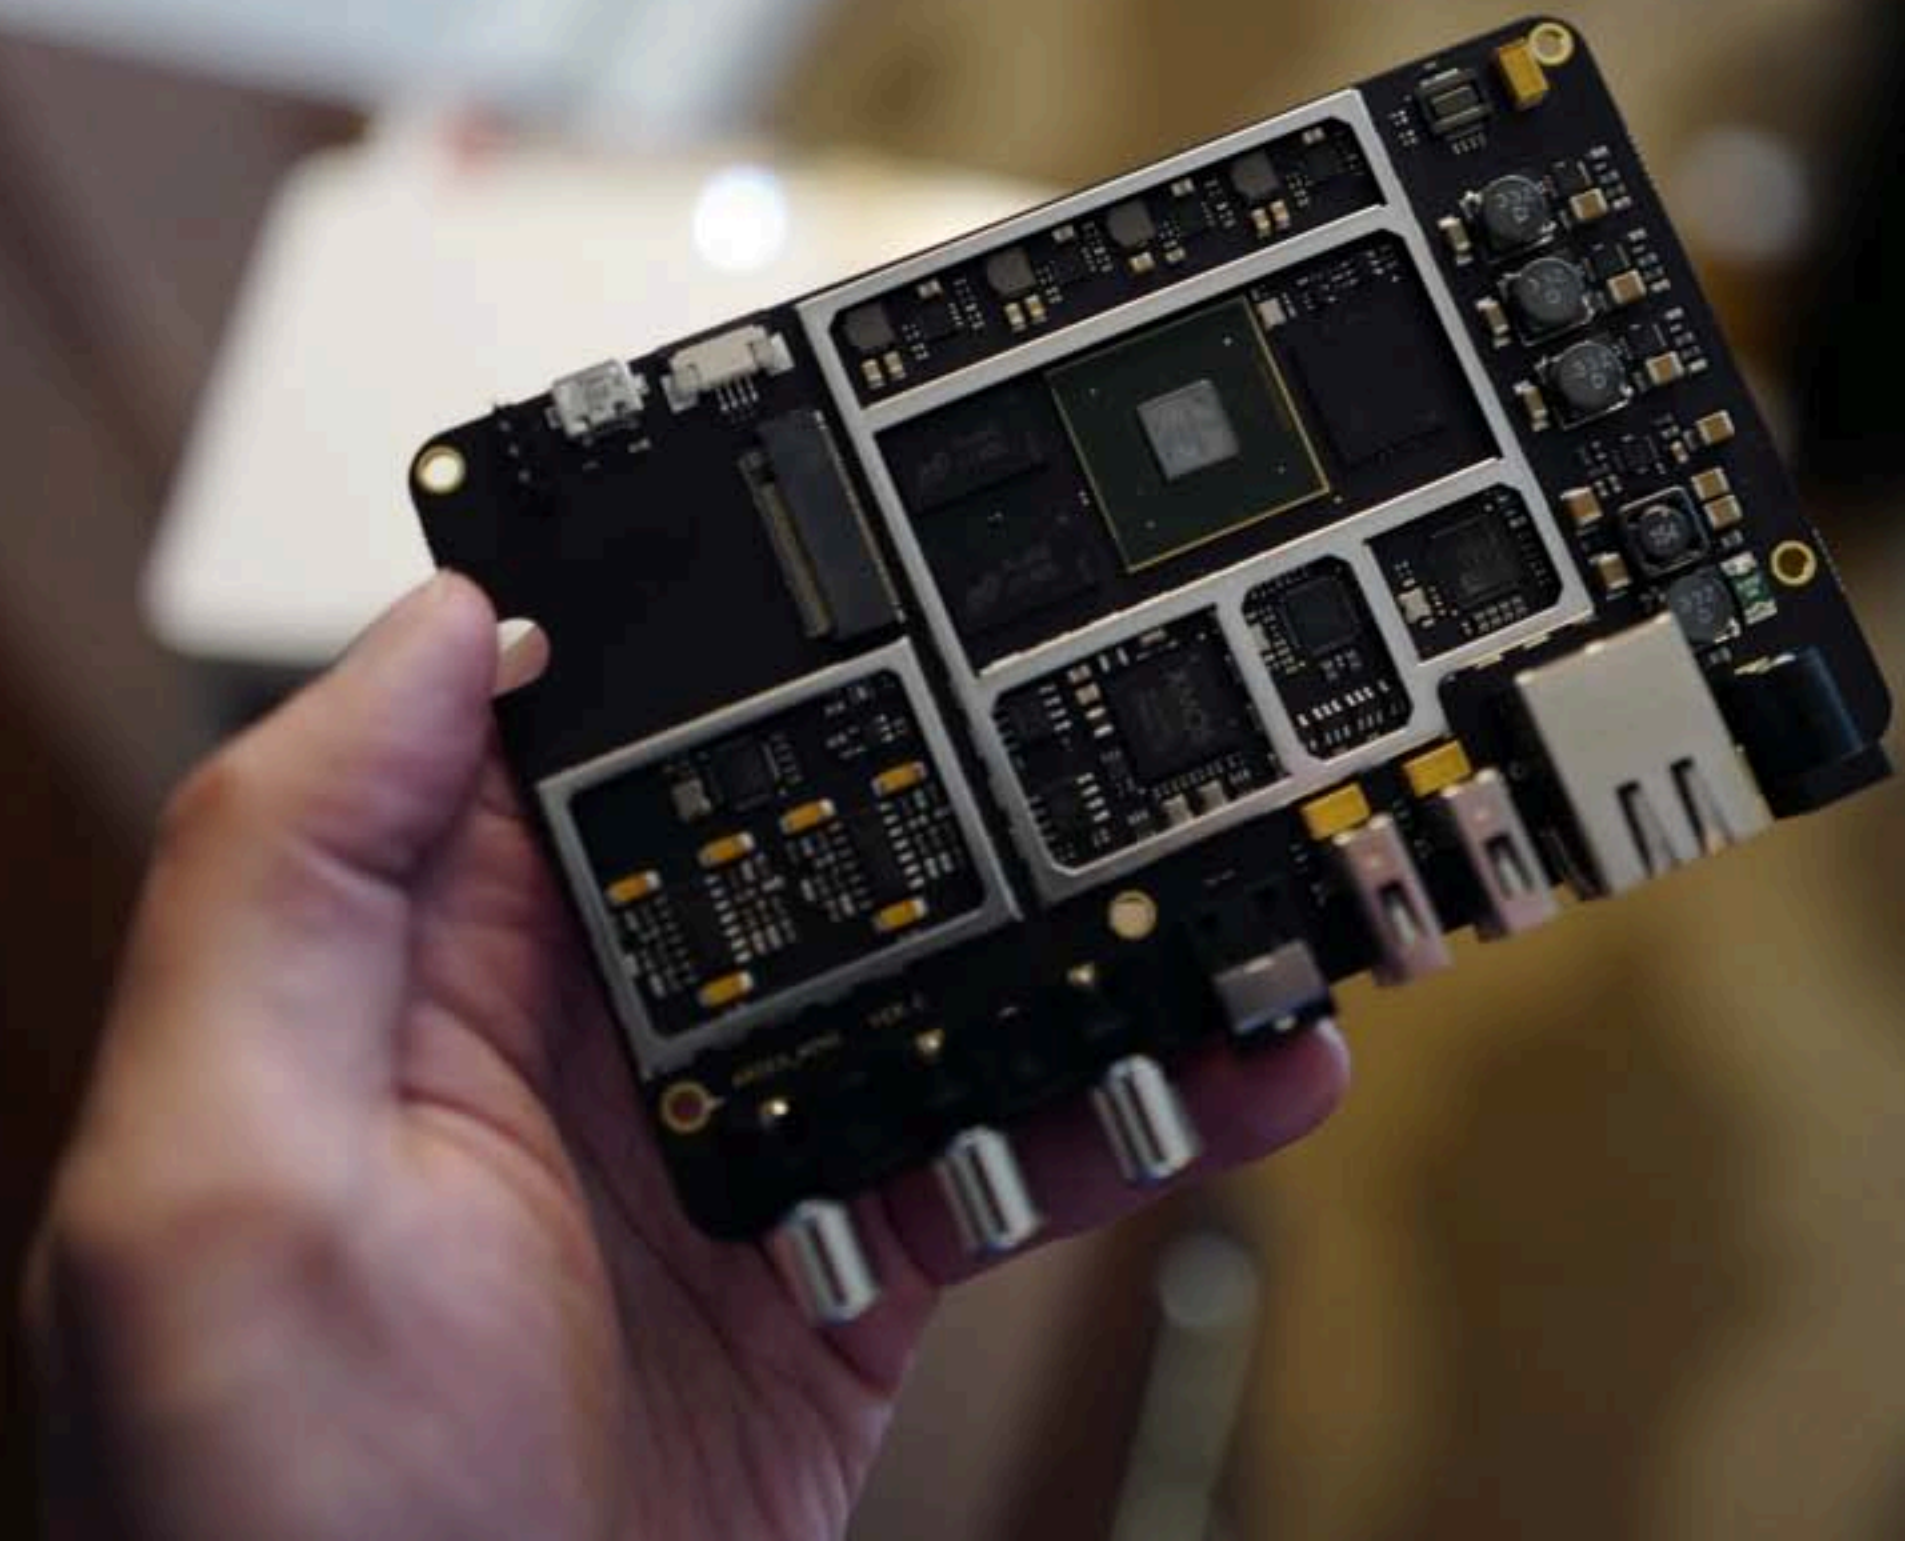

A stack of three silver-faced AURALIC components. The top unit is a DAC/Preamp with a digital display showing "100". The middle unit is an amplifier with a volume knob. The bottom unit is a CD player with a disc tray. A remote control is placed to the left of the stack.

A white AURALIC USB DAC/Preamp connected to a smartphone via a white USB cable. The DAC/Preamp has a digital display showing "0:17". A black cable is connected to the side of the DAC/Preamp.
