

Frej

The new Power Amplifier

First glance at Frej and Mimer and you can anticipate what you are about to hear and envisage the great possibilities in front of you.

Frej being true to Nordic mythology was lesser known überGod, known to have an even larger "Hammer" than Thor.

Frej together with Mimer is latest in up market down scaled design. Captured within a timeless minimalistic format, focus on incorporating aesthetics with typical outstanding Bladelius high performance which has helped guide us to create this platform of unparalleled design, power and overall world leading excellence.

Initially the design focus of Frej and Mimer was intended for wall hung installation, naturally Frej and Mimer also allows you to easily stand mount for esthetic counter top installation without compromising design, form and performance.

Strong Power amplifier with 2 * 140watt into 8 ohms and 2x250 wats into 4 ohms that drives most speakers on the market with verve.

Additional feature is link to Mimer for any Stand By function - the output stage goes into power-saving mode when there is no signal at the input.

Technical specifications	FREJ
- Power	2 x 165 watt 8 Ohm. 2 x 240 watt 4 Ohm.
- Inputs	Balanced XLR Single End RCA
- Dimensions	247 x 65 x 181 mm (W x D x H)
- Link	link to Mimir for any Stand By function
