HOME SETUP POWER PHASE

A digital display panel with a white background and black text. At the top, it reads 'ALTAIR II' and 'XLR-1'. Below this is a graphic equalizer with a central icon of a square with '00' inside. The main display shows '19.0' in a large font, with '-dB' to its right. At the bottom, there are four small icons: a house, the word 'SETUP', a power symbol, and the word 'PHASE'.
