

**DeVORE
FIDELITY**

ORANGUTAN O/93

With a new version of our 10 inch Paper cone woofer with phase plug and the same gently horn loaded 1 inch silk dome tweeter, the O/93 retains much of the clarity and tonality of the O/96 at a lower sensitivity in a lower priced speaker.

Frequency Response : 30Hz-31kHz

Sensitivity : 93dB/W/M

Impedance : 10Ω

Dimensions : 10" d x 15" w x 35.5" h / 25.4 d x 38.1 w x 90.7 h cm.

Reviews

"My beloved DeVore Fidelity Orangutan O/93 loudspeakers perform at a level of excellence beyond what I ever dreamed possible." **Herb Reichert, Stereophile Editor's Choice 2014**

"I toss around a lot of adjectives in trying to adequately describe my listening experience with the DeVore Fidelity O/93s. A special speaker, one with richness, punch, finesse and clarity (there I go again); the O/93s ultimately produced a singular sound, a natural sense of wholeness that defies single words or strings of descriptors." **Ken Micallef, Positive Feedback Magazine**

"It's rare to see cabinetry this professional and this beautiful in any loudspeaker, even those selling for ridiculously high prices. More than most loudspeakers, the Orangutan O/93s brought me closer to live, especially with concert recordings, and even over the Internet. Other speakers sound, er, too tame in comparison." **Sam Tellig, Stereophile**

About

Our goal at DeVORE FIDELITY is to create products that communicate the life-breath of music. We believe that the best means to this end combines the art of aesthetics with the science of physics in such a way that each complements the other, and together yield a product far greater than the sum of its parts.
