STEREO POWER AMPLIFIER

PS

Designed by Tim de Paravicini

E.A.R.

Made in England, W. Hantsington

A close-up photograph of the front of a vintage car. The image shows a black, ribbed grille on the left, a chrome headlight assembly in the upper right, and a white hood. On the white hood, there is a red, stylized badge that reads "YEAR 534". The car's body is painted a light color, possibly white or silver. The lighting is bright, highlighting the textures of the grille and the metallic surfaces.
