MAGNETIC DRIVE SYSTEM

The image shows a physical prototype of the ESOTERIC MagnaDrive System. The device is a complex assembly of metallic and white components, including a central cylindrical motor housing, a white magnetic core, and various gears and bearings. It is mounted on a white rectangular base with the ESOTERIC logo. The base is placed on a dark blue cylindrical stand that also features the ESOTERIC logo. The entire setup is illuminated by several spotlights, highlighting the intricate details of the prototype.
