HOHRIZONTAL 51

HOHRIZONTAL 51 Soundboard – pure stereo sound at its best

Enjoy music, pictures and videos from your iPod or iPhone in a most elegant way from a functional shelf on the wall. No distracting appliances in the room – but powerful bass and room filling sound from the integrated sound system.

Home entertainment as a sensual experience. Smooth integration into living environments by still providing full multi-media compatibility for TV, computers and other MP3 players.

Patent pending. Available as from May 2010.
