# JORMA DESIGN

## Powering a new generation

Jorma Design makes prestige cables for the home. We make internal wiring exclusively for Marten - an alliance of smart and premium design.

New speakers: Mingus Orchestra, Oscar Trio and Oscar Duo all harness the purity and strength of our cables.

A pair of black, braided RCA cables are shown. They are connected to a central, dark brown, oval-shaped connector. The connector has two gold-colored oval labels, each with the text "JORMA STATEMENT" and a small logo. The cables are laid out in a circular pattern on a light-colored surface. A white rectangular label is placed in the center of the circle, containing the text "Jorma Statement" and "RCA".
