Jorma Statement Encore

Statement Encore brings the refined architecture of our flagship series Paragon down through the range.

It carries music without colouring it — neutral, detailed, uncompromising.

Built with eleven conductors across a 3.85 millimetre cross-section, Statement Encore sits at the heart of serious systems.

Loudspeaker
11 x 0,35 mm^2 = 3,85 mm^2
Cryogenically treated

Interconnect
3 × 0.35mm^2
Cryogenically treated

Power
3 x 2.5mm^2
Cryogenically treated
