

# Kimber 4VS

**T**he Kimber really stood out with a wonderfully natural and relaxed performance. It did a fine job of making itself unobtrusive and letting the music take centre stage. The traditional woven construction is retained and the fit and finish is extremely high. The price has even gone down since we reviewed it!

**DETAILS**

**PRICE:** £133 (2.5m terminated pair)  
**TYPE:** Vari-strand  
**TELEPHONE:** 0845 345 1550
