

Magico Q7

Q7 with Spectral electronics

A large, black, floor-standing speaker with a vertical orientation. It features four drivers: a large woofer at the bottom, a smaller midrange driver, a tweeter, and another large driver at the top. The speaker has a distinctive diagonal line on its side panel.

A second large, black, floor-standing speaker, identical to the one on the left, positioned on the right side of the room.

Two silver-faced amplifiers or processors with black heat sinks, sitting on a black base. They are connected to the speakers and other equipment in the room.

A silver-faced receiver or amplifier unit sitting on a black base on the right side of the room.
