

GROUNDBREAKING. AGAIN.

WE KNOW BECAUSE IT'S OUR TERRITORY.

COLTRANE TENOR 2

When it comes to technology we know the field better than the rest. That's why the new Coltrane Tenor 2 is our best yet, continuing our legacy.

Intelligently designed with market-leading technology, each speaker is crafted with absolute respect to the music.

Coltrane Tenor 2 features Jorma Design cables, elevating the model to a new vista. Our signature build includes Cell technology, record low distortion and perfect time and phase coherence.

A speaker that shows the true direction for high end audio.
Not only for Marten.
