

Acoustic

A tall, black, floor-standing speaker with a wood-grain top section. The speaker features two drivers (a tweeter and a woofer) visible through a black grille. The top section has a wood-grain finish and the word "Acoustic" is printed on it.

A white, rectangular, plastic planter box with a textured surface. It contains a large green plant with long, thin leaves.

SUONO
take away

A magazine titled "SUONO take away" lying on the rug. The cover features a photograph of a person playing a guitar. The magazine is partially open, showing some text and images on the inside pages.

European 2-Channel System 2011-2012
Primare CD32/I32

Progettati per far coppia, il lettore CD con USB e l'amplificatore di Primare promettono una buona dose di dolce suono svedese. Il loro design semplice ed elegante nasconde un'eccellente versatilità, visto che tutte le funzioni, incluso il volume e la luminosità del display, sono accessibili dal telecomando. Gli audiofili apprezzeranno le uscite bilanciate del lettore e gli ingressi dell'amplificatore, che impiega la tecnologia in classe D per offrire 2x125 W su 8 ohm, con riserva di energia sufficiente per pilotare i carichi più difficili. È inoltre disponibile un modulo "plug-in" che aggiunge ingressi digitali, radio DAB/FM e connessioni iPod, Ethernet e Wi-Fi per lo streaming. Ma soprattutto questa coppia offre un suono cristallino, ricco di coinvolgente dettaglio musicale.
