

SWISS INNOVATION SINCE 1951 

A large, illuminated circular logo with the word "NAGRA" in a bold, sans-serif font, centered at the top of the display.

NAGRA

A comprehensive display of Nagra audio equipment. In the center is a black multi-tiered rack holding various components: a turntable on top, followed by amplifiers, tuners, and cassette decks. To the left and right are large, black floor-standing speakers with red horizontal accents. In front of the main rack are two smaller, silver-colored floor-standing speakers. The floor is dark with a large, light-colored geometric pattern. The background is dark, making the illuminated logo and speakers stand out.

ATION

A large, white, circular light fixture with the NAGRA logo in the center, mounted on a stand.

NAGRA

A high-end audio exhibition setup featuring a large black floor monitor on the left, a central three-tiered black shelving unit with various NAGRA components, and two tall grey modular speakers on the right. The background is dark with a large circular light fixture displaying the NAGRA logo. The floor has a grey carpet with a large, stylized white NAGRA logo. The text "SWISS INNOVATION SINCE 1951" is projected on the floor, followed by a red Swiss flag.
