BOUNAGE

Table with multiple columns and rows of text, possibly a schedule or data log, pinned to the cabinet wall.

White paper with text and a black dot, pinned to the cabinet wall.

White paper with text, pinned to the cabinet wall.

A collection of metal plates with gold pins arranged on the top shelf of the shelving unit.

A collection of metal plates with gold pins arranged on the lower shelves of the shelving unit, along with a cardboard box.

Workbench area on the left, including a red top surface, a white cabinet with drawers, and a trash can.

Two sheets of technical drawings or data tables are pinned to the wall. The top sheet is a large grid with multiple columns and rows, containing various alphanumeric codes and possibly part numbers. The bottom sheet is a smaller grid, also with multiple columns and rows, containing similar alphanumeric data. The sheets are held in place by red and blue pushpins.

A single sheet of paper with a list of items or specifications is pinned to the wall. The text is too small to read but appears to be a checklist or inventory list.
