sumicaudio

The central stack consists of three silver Sumicaudio components mounted on a copper-colored metal stand with four vertical pillars and four horizontal bars. From top to bottom, the components are:

- A silver Sumicaudio component with a red digital display showing "00 000000" and "0000".
- A silver Sumicaudio component with a red digital display showing "10 0" and "00".
- A silver Sumicaudio component with a red digital display showing "0000 000000" and "0000".

Flanking the central stack are two large silver Sumicaudio amplifiers, each with a red digital display showing "0000 000000" and "0000".
