A tall, silver, vertically-oriented speaker with a black grille. It features a large black woofer at the bottom, a smaller black tweeter at the top, and a midrange driver in the center. The speaker is positioned on the left side of the room.

A black metal rack on wheels holding various audio components. From top to bottom, it contains: a red amplifier with two knobs, a black receiver, and two silver-faced components, likely a tuner and a CD player, both with orange accents. The rack is positioned in the center of the room, in front of a window.

A tall, silver, vertically-oriented speaker with a black grille, identical to the one on the left. It features a large black woofer at the bottom, a smaller black tweeter at the top, and a midrange driver in the center. The speaker is positioned on the right side of the room.

A person's hand and part of their arm are visible in the bottom right corner of the image, resting on a dark surface.
