

A large, floor-standing speaker with a dark wood-grain finish and a black grille on top.

A potted plant with long, thin, green leaves, possibly a palm or a similar species.

A turntable setup on a black table with silver legs. The turntable is silver and has a clear dust cover. There are some small items on the table, including a red object and some papers.

A stack of four silver audio components on a wooden rack with curved shelves and silver legs. From top to bottom: a CD player, an amplifier, a tuner, and a DAC. The CD player has a digital display showing "5-805". The amplifier has a digital display showing "53".

A large, floor-standing speaker with a dark wood-grain finish and a black grille on top, matching the other speaker.

A tall, white, ceramic vase with a flared top and a textured surface.

A white rectangular box, possibly a component or a power supply, sitting on the floor.

A small, colorful metal cable management rack with yellow, orange, and red sections.

A small, rectangular wooden cabinet or box, possibly a subwoofer or a component housing.

A window with blue curtains, letting in bright light.

A window with blue curtains, letting in bright light.

A white radiator mounted on the wall under the window.

The room has a patterned carpet, a wooden floor in the corner, and a white wall with a radiator and windows. A black shoe is visible in the bottom right corner.
