A black, five-tiered metal shelving unit displaying a stack of audio components. From top to bottom, the components are:

- A silver amplifier with a 'Please don't touch' sign on the left and a '试听中' sign on the right.
- A silver tuner with a '试听中' sign on the right.
- A black tuner.
- A silver tuner.
- A silver tuner.

Each component has a small white information card placed in front of it. To the left of the bottom two shelves, there is a black power supply unit with several cables connected to it.

Exhibition table covered with a dark blue cloth, displaying various brochures and product information. The brochures feature images of audio equipment and text in Japanese. A central display stand shows a Cambridge Audio product line including a Compact Disc Player, Digital-to-Analog Converter, and Power Amplifier. The table is surrounded by audio equipment including speakers and shelving units in the background.
