New SME Turntable - Synergy

SME is pleased to announce the launch of a new integrated turntable "Synergy" which will be exhibited and demenstrated for the first time at High End Munich 2018.

Our new turntable is the result of months of intelligent design and technical innovation whilst maintaining the DNA of SME. Synergy is a unique high end turntable developed in collaboration with 3 world leading audio companies incorporating Crystal Cable, Nagra built-in switchable Phono Stage and Ortofon Windfeld PWTi Cartridge.

Integrated Turntable Features

Natural, Open and Dynamic Sound	Factory Configured with Minimal Set Up	High Mass - Small Footprint
Precision Magnesium Tonearm	Isolated Suspension	Close Tolerance Bearing
Nagra Built-in Switchable Phono Stage	Crystal Cable Audio Lead and Wiring	Ortofon MC Windfeld PWTi Cartridge
