

 KEITH MACLEOD
 SWEDEN - WIT BRIDGE
 ... the composer who kept on seeking
 ... eternity of life sang of the immortal
 ... in his symphony "Das Lied von der
 ... (The Song of the Earth).
 ... creative ventures
 ... of spiritual exploitation.
 ... "endured" challenge to his era.
 ... irresistible uprush
 ... for total creation was
 ... of his own way
 ... of life.
 No road?
 We make one!
 In autumn, 1995.
 We wish to abide by the hot spirituality of the
 challenger.

オーディオの歴史は、
「音の再現」を追求する
人々の情熱と挑戦の歴史である。
その挑戦は、常に
先を争った。そして、
ついに「音の再現」を超えて、
「音の創造」の世界へと
踏み出した。
