

SHINDO LABORATORY

Mr. T Power Conditioner

The **Mr. T.** offers excellent line conditioning for all of your gear by rejecting unwanted noise and interference transmitted through the power grid. Your music will have a lower noise floor, more focus, and greater transparency. Six power outputs.

The no nonsense, uncluttered, approach in regards to aesthetics resonates with those who appreciate the timeless quality of Shindo Labs products. From the tangible reassuring click of the power switch, tactile and precise input switching, silky smooth volume control and hand wired internal construction, Shindo Labs products exude craftsmanship of the highest order.
