SWISS MADE AUDIO EXCELLENCE

STENHEIM'S SECOND ACOUSTIC SESSION WITH LIONEL MONNET

The virtuoso pianist Lionel Monnet has recorded Stenheim's second Acoustic Session at the Espace Consonance in Switzerland where he is the artist in residence. Once again Stenheim was able to call on the talents of Jean-Claude Gaberel to engineer the session. Lionel Monnet has won numerous prizes for his playing and has been invited to perform at venues throughout Europe and beyond. This session showcases his talents brilliantly, as well as the exceptional acoustics of the venue.
