The new Sound Tape Recorders

All these tape recorder manufacturing companies...
 The new Sound Master, a genuine hi-fi...
 All this experience has helped the new Sound Master, a genuine hi-fi...
 designed in professional standards of performance and reliability. It is a hi-fi...
 three speed machine with automatic recording and repeat amplifiers. There are full facilities for mixing, recording and multiple reproduction, and it has output through the specially-designed ultra-hermetic system. It comes with a hi-fi facility to record and playback continuously. The Master is, in fact, a complete hi-fi recording system offering major quality performance.
