

A little extra help

You can't get better than a quick kit-fixer... or can you? Here we rate the latest add-ons for your system

Supra Coaxial £45

DIGITAL INTERCONNECT

...VERDICT

Delivering precise positioning across the surround channels as well as a massive sound stage, this cable is an absolute bargain upgrade for almost any home cinema set-up

★★★★★

Lay-Z-Boy Chair from £1000

RECLINING CHAIR

...VERDICT

There aren't many better ways to enjoy your system than sitting on a Lay-Z-Boy recliner. With its in-arm options including a fridge and a phone, you might never get up again

★★★★★

Isol-8 Cleanline 2 £295

MAINS FILTER

...VERDICT

Isol-8's mains filter definitely beats your regular supply from the mains, but it's no class-leader, as it reduces rhythmic drive and seems to restrain the dynamics of a system

★★★★☆

Isotek Gemini 6-way £260

MAINS FILTER

...VERDICT

The Isotek is a stunning performer giving a good overall tonal balance throughout the frequency range – it might look a bit plain, but it lets music and movies flow with ease
