# pagode edition

by finite elemente

**NEW!**

## Features

- new clear and edged design with a homelike look
- technically identical with the pagode° Master Reference
- each model carries a dedicated resonator set-up
- wood frame with front metal insert in anodized or high-polished aluminium
- alu side pillars with acoustically damping wood covers
- pagode edition° and pagode° MR in several staining and lacquer colours available
- an ideal match to the modul LS pedestal speaker
